Review and Approve March Minutes (2 min.)

The March minutes were reviewed and adopted.

Old Business

- A. Holy Week and Easter Services went well. May want to put a table outside for people to pick up palms and have a procession if the weather is nice. We will order one Easter candle for the pastorate for Easter 2024.
- B. First Communion masses went well. May Crowning went well but it is hard to get volunteers. Maybe we add it to the First Communion masses. The First Communicants could possibly bring up the gifts and crown Mary at the First Communion mass. The First Communion students could also bring up flowers at that time as well.
